Thank you for responding Lorena.

We will contact Jessica directly for the security.

As for the trolley, yes there are hills involved. Let me see if we can modify the routes to make it work.

I will get back to you ASAP. Please keep the trolley on a hold for us from 10-4 on 6/5/16 in the mean time.

Thank you,
Gianine

Good afternoon,

Regarding security services, I have arranged for you to work out the
details directly with Jessica Smith.

Regarding the trolley rental, I have attached the application. Please
confirm how many hours you will need for the trolley. The cost is
$100/hour.

Meanwhile, I do have the trolley available for rent for that day on June
5th. Are there any hills nearby? The trolley does not travel on hills.

Best regards,

Lorena Parker

Hi Lorena,
Just wanted to confirm that PBID would be able to provide this support for
our event.

Thanks,

Subj: PBID/ Trolley for upcoming San Pedro Shred Festival of Skate

Hi Lorena,

My name is Gianine Rizzi. I spoke to you regarding the PBID and Trolley for
the San Pedro Shred Festival of Skate. James Brown referred me to you. Per
our conversation, here are the details for the event.

Our 4th annual event is Sunday June 5th, 2016.
Location - Gaffey Street lookout point between 32nd St. and Paseo del Mar.
Event Run time - 10:00 am to 4:00 pm.
Event registration begins at 9:30 am.

We have food booths, bands, vendor booths, and of course skateboarding.
This year we will also be holding activities in the Korean Friendship Bell
parking lot for kids and families.
We are calling it our Community Center.

I will need the PBID for security Saturday June 4th, 2016 from 4:00 PM to
Sunday June 5th, 2016 at 4:00 AM.
We leave our big half pipe & other skateboard ramps set up overnight in the
parking lot portion of Lookout Point Park and we need security to make sure
nobody skates the ramp in the middle of the night. I arrive at 4:00 am to
begin set-up with our Beacon House Crew. It is usually one or two guys at
most. They sit in their car most of the night.

For the Trolley we are

looking to have it run during the event to shuttle
people around. I have supplied a map to show the route. It would be from
the hours of aprox. 10:00 am to 4:00 pm. This would aid in our guests
getting to and from the parking lots, community area, festival area, etc..
Our event is quite spread out and the foot print requires walking lots of
hills. The trolley would really be helpful for those guests that are
disabled or those who can't do all the walking as easily.

Please let me know what else you need from me to reserve security and the
trolley. I look forward to speaking with you more.
I have enclosed a Trolley Route Map, Event flyer, and a Map that shows
street closures with detours. Our website is on the flyer too.

Thanks in advance,
Gianine Rizzi
